## TRURO TENNIS CLUB

- We offer junior lessons and memberships for kids of all ages (and adults too!).
- Memberships include unlimited court time, lessons multiple times per week, and special events.
- There is no additional cost for the lessons, it's all included in the membership.
- Lessons run multiple evenings throughout the week, and one weekend morning. This can change based on enrolment.
- Kids are grouped together by age and/or skill level.
- No prior experience is necessary; we have instructors that can help all skill levels!
- We have plenty of extra rackets at the club that kids are welcome to borrow.

The courts usually open for the summer in mid-May, depending on the weather. Lessons gradually ramp up in frequency, with full programming starting once school ends in June!
